

PRM-11
Task 2

INTELLIGENCE COMMUNITY STAFF

26 May 1977

NOTE FOR:

FROM :

SUBJECT : PRM-11, Task 2

STAT

Here is the "SECDEF View" paper that has been working in DOD for some time. I have no information as to its official status, but it strikes me to be a valuable parallel input. Read the last page first, and you may reach the same conclusion.

DOD's real complaint all along has been that, by focusing on the DCI's roles, we bias the whole exercise.
